EDUCATION

Old Dominion University, Norfolk, VA
Bachelor of Science   August 2020 – May 2024
Major: Statistics
GPA: 3.99

Relevant Courses
- STAT 431: Theory of Statistics
- STAT 405: Introduction to Data Handling
- STAT 435: Design and Analysis of Experiments
- STAT 449: Nonparametric Statistics
- STAT 437: Regression and Time Series

RELATED EXPERIENCE

Global Partners LP
Data Organizer (volunteer work for an employee)
- Extracted and reviewed monthly per-site sales of gasoline to identify negative margins
- Created a program to streamline the monthly analysis of gasoline sales
- Designed and prepared Excel files to store site audits and easily identify areas of improvement and whether target metrics are met
- Created Excel dashboards to show improvement in site scores

PERSONAL PROJECT

Report on the Effects of Attendance on Student Performance
- Used R Markdown to perform exploratory data analysis on student data
- Created data visualizations and performed hypothesis tests to generate insights
- Discovered that students have an over 50% increase in absences in the second semester
- Discovered that attendance has a significant but low correlation with performance

SKILLS

Soft Skills: self-learning, adaptability, critical thinking, presentations, data storytelling
Computer skills: programming, Python, R, SQL, SAS, Excel, Tableau, Power BI
Data analysis skills: statistics, hypothesis testing, data wrangling/cleaning, linear regression, data visualization, model testing and validation, ANOVA
Language skills: native speaker of English, fluent in Spanish
